

## Fixplacéréservation beachcourts

Weekly fixed-rate bookings for beach-courts are possible at special rates from the end of September / beginning of October to the end of May / beginning of June (36 weeks). A total of 20 slots of 90 minutes will be available. They can be booked from the 1st of August. The costs are charged in advance after booking and must be paid within 10 days. If the payment is not on time, the booking will be released. Discounts and coupons cannot be used for fixed-rate bookings. A maximum of 4 appointments throughout the season can be postponed by a written demand or by a phone call 2 weeks in advance. This applies to the players as well as to the BeachIN GmbH (e.g. for event bookings). Replacement dates will either be arranged on the same day and at the same time after the end of the season or at other times according to the booking schedule. If a replacement booking is selected at a higher rate (other times, afternoons, evenings), the additional costs must be paid. Fixed-rate bookings can be used by different people at a maximum of 8 people per court. Using the wardrobe and showers is included in the price. All prices are incl. VAT.
