| cleaning personnel per hour | CHF | 45.— |

Cost of food and drinks:

Regardless of which variant is chosen for the infrastructure, there are various options for the catering of guests during their stay at BeachIN. In most cases, an event-specific menu with all included food and drinks is created. Special requests or "A La carte - Service" is also possible. The costs per person depend on the number of persons and the budget. We work together with various catering providers. We are happy to fulfil special wishes or put together menu suggestions within the desired price range. The meal can also be organized by the customer himself (nuts and chips are not allowed in the sand).
